About Central Indiana Community Foundation (CICF)

Central Indiana Community Foundation (CICF) was formed in 1997 through a partnership with The Indianapolis Foundation, serving Marion County since 1916, and Legacy Fund, serving Hamilton County since 1991. CICF's mission is to inspire, support, and practice philanthropy, leadership, and service in our community.

With more than \$570 million in assets, CICF ranks within the top 25 largest community foundations in the United States. This success has been accomplished, in large part, thanks to donations from individuals and businesses who are interested in enhancing the quality of life in central Indiana. CICF is committed to working with individuals and families who want to give back to their community.

How to Apply

You will find in this booklet three sections of scholarship funds. While CICF manages the money for all of these funds, the application processes are different for each section.

Section A: Pages 4-7 list scholarship opportunities for which you submit scholarship application material to CICF. The Common Scholarship Application can be completed at www.cicf.org and submitted online.

Section B: Pages 8-12 list scholarships for which the Foundation also holds funds but are administered by local schools, education foundations and/or other organizations. Please contact the appropriate organization and/or your guidance counselor for information on these scholarship opportunities:

Section C: Page 12 list funds that are not awarding scholarships in 2010, but will do so in the future.

Frequently Asked Questions

Am I eligible to apply? Please read through the specific criteria for each scholarship fund listed on pages 4-12 to see if you are eligible to apply. **PLEASE ONLY APPLY TO SCHOLARSHIPS FOR WHICH YOU ARE ELIGIBLE.**

What if I have questions? If you have any questions, please call the CICF Scholarship Student Information Line at 317.631.6542, ext. 279 or email scholarships@cicf.org.

If I am awarded a scholarship, how can it be used? Scholarships are for educational expenses at a college or university: tuition, required fees, room, and board. Scholarships at CICF will only pay for a part of these expenses.

If I am awarded a scholarship, how much will I get? Most scholarship funds offer varying award amounts, which range from \$1,000 to several thousand dollars. Awards depend on the size of the particular fund and the number of qualified applicants. Award amounts may vary from year to year.

Where can I go to school? Most of the scholarships are for students attending schools anywhere in the United States unless otherwise noted in the scholarship description. Some scholarships are designated for students attending an Indiana institution.

May I receive awards from more than one scholarship fund? Yes. You may apply to any fund for which you are eligible. It is possible to receive multiple awards.

What is the timeline for scholarship decisions and notification?

Deadlines vary and are stated under the scholarship description. **All materials must be received on or before the stated deadline. Late or incomplete applications will not be considered.**

CICF's scholarship selection committees meet and select recipients from April to June. All applicants are notified about committees' decisions by Scholarship America.

What happens after I receive my scholarship?

For a majority of scholarships, you will be notified by Scholarship America, an organization that assists CICF with the administration of its scholarships including award notification, scholarship payment, enrollment verification and student reporting.

When and how will my scholarship be paid?

Recipients must submit scholarship acceptance agreements before a scholarship will be paid. For a majority of scholarships, scholarship checks are sent in August provided students have submitted required paperwork. Checks are made payable to the college or university and sent directly to scholarship recipients.

Will I be asked to submit any year-end reports for my scholarship?

For a majority of scholarships, students are asked to submit reports verifying enrollment, grades, major, and contact information. In some cases an essay or additional information may be required.

What additional scholarship resources are available?

High school guidance counselors and college financial aid offices can provide information on federal and school financial aid and other community-based scholarships. Below is a partial listing of helpful Web sites. Additional resources are also available in the scholarship section of www.cicf.org.

www.fastweb.com - A free searchable scholarship database
